

Fort Albany Power Corporation Distribution Rates Effective July 1, 2007

Regulated Price Plan Commodity Charges as at May 1, 2009

RPP Commodity Charge First Tier: **5.7** cents/kWhr

RPP Commodity Charge Second Tier: **6.6** cents/kWhr

The Regulated Price Plan commodity charge is the price of the electricity itself and is set by the Ontario Energy Board for residential and certain commercial customers in the province. This price is set twice a year: May 1st and November 1st.

01 Residential Customer Class

Consumption Charges-per kilowatt Hour of electricity consumed

1 Res-Electron Charge-Tier 1 (600/1000)	5.92	Cents per kWhr
1 Res-Electron Charge-Consumption above 600/1000kWh*	6.85	Cents per kWhr
70 Delivery to Fort Albany	1.38	Cents per kWhr
71 Delivery to You	2.13	Cents per kWhr
Residential Electricity Rate (Tier 1):	9.43	Cents per kWhr
Residential Electricity Rate (Tier 2):	10.36	Cents per kWhr

Monthly Charges

73 Residential Service Charge	\$20.67	Month
-------------------------------	---------	-------

Note: The electron charge tiers change twice a year for residential customers, 1000kWh from Nov 1 to April 30 and 600kWh from May 1 to Oct 31

Note: These rates, except "Delivery to You", include a distribution loss factor of 3.85%.

Note: Customers that are required to pay the Debt Retirement Charge will be charged an additional .7 cents per kWh.

02 General Service-Commercial Customer Class

Consumption Charges-per kilowatt Hour of electricity consumed

2 GS-C-Electron Charge-First 750kWh	5.92	Cents per kWhr
2 GS-C-Electron Charge-Consumption above 750kWh	6.85	Cents per kWhr
80 GS-C-Delivery to Fort Albany	1.29	Cents per kWhr
81 GS-C-Delivery to You	2.17	Cents per kWhr
General Service-Commercial Electricity Rate (First 750 kWh):	9.38	Cents per kWhr
GS-C Electricity Rate (Consumption above 750 kWh):	10.31	Cents per kWhr

Monthly Charges

89 GS-Commercial Service Charge	\$34.80	per Month
---------------------------------	---------	-----------

Note: These rates, except "Delivery to You", include a distribution loss factor of 3.85%.

Note: Customers that are required to pay the Debt Retirement Charge will be charged an additional .7 cents per kWh.

03 General Service-Institutional Customer Class

Consumption Charges-per kiloWatt Hour of electricity consumed

(Formerly these customers were known as 'Standard A')

3 GS-I-Electron Charge-First 750 kWh	5.92	Cents per kWhr
3 GS-I-Electron Charge-Consumption Above 750 kWh	6.85	Cents per kWhr
90 GS-I-Delivery to Fort Albany	1.29	Cents per kWhr
91 GS-I-Delivery to You	21.44	Cents per kWhr
General Service-Institutional Electricity Rate (First 750 kWh):	28.65	Cents per kWhr
GS-I Electricity Rate (Consumption above 750 kWh):	29.58	Cents per kWhr

Monthly Charges

98 Standard Supply Service Administration Charge	\$ 0.25	per Month
--------------------------------------------------	---------	-----------

Note: These rates, except "Delivery to You", include a distribution loss factor of 3.85%.

Note: Customers that are required to pay the Debt Retirement Charge will be charged an additional .7 cents per kWh.
